

#### § 983.41

kernels, or the failed lot may be used for non-human consumption or otherwise disposed of.

(d) *Kernel rework procedure for aflatoxin.* If pistachio kernel rework is selected as a remedy to meet the aflatoxin requirements of § 983.38, then 100% of the product within that lot shall be removed from the bulk and/or retail packaging containers and reworked to remove the portion of the lot that caused the failure. Reworking shall consist of mechanical, electronic or manual procedures normally used in the handling of pistachios. After the rework procedure has been completed the total weight of the accepted product and the total weight of the rejected product shall be reported to the committee. The reworked lot shall be sampled and tested for aflatoxin as specified in § 983.38.

(e) *Minimum quality rework procedure for inshell pistachios and kernels.* If rework is selected as a remedy to meet the minimum quality requirements of § 983.39, then 100% of the product within that lot shall be removed from the bulk and/or retail packaging containers and processed to remove the portion of the lot that caused the failure. Reworking shall consist of mechanical, electronic or manual procedures normally used in the handling of pistachios. The reworked lot shall be sampled and tested for the minimum quality requirements as specified in the minimum quality regulations of § 983.39.

#### § 983.41 Testing of minimal quantities.

(a) *Aflatoxin.* Handlers who handle less than 1 million pounds of assessed weight per year, have the option of utilizing both of the following methods for testing for aflatoxin:

(1) The handler may have an inspector sample and test his or her entire inventory of hulled and dried pistachios for the aflatoxin certification before further processing.

(2) The handler may segregate receipts into various lots at the handler's discretion and have an inspector sample and test each specific lot. Any lots that have less than 15 ppb aflatoxin can be certified by an inspector to be negative as to aflatoxin. Any lots that are found to be above 15 ppb may be tested

after reworking in the same manner as specified in § 983.38.

(b) *Minimum quality.* Handlers who handle less than 1 million pounds of assessed weight can apply to the committee for an exemption from minimum quality testing. If the committee grants an exemption, then the handler must pull and retain samples of the lots and make samples available for review by the committee. The handler shall maintain the samples for 90 days.

#### § 983.42 Commingling.

After a lot is issued an aflatoxin inspection certificate and minimum quality certificate, it may be commingled with other certified lots.

#### § 983.43 Reinspection.

The Secretary, upon recommendation of the committee, may establish rules and regulations to establish conditions under which pistachios would be subject to reinspection.

#### § 983.44 Inspection, certification and identification.

Upon recommendation of the committee and approval of the Secretary, all pistachios that are required to be inspected and certified in accordance with this part, shall be identified by appropriate seals, stamps, tags, or other identification to be affixed to the containers by the handler. All inspections shall be at the expense of the handler.

#### § 983.45 Substandard pistachios.

The committee shall, with the approval of the Secretary, establish such reporting and disposition procedures as it deems necessary to ensure that pistachios which do not meet the outgoing maximum aflatoxin tolerance and minimum quality requirements prescribed by §§ 983.38 and 983.39 shall not be shipped for domestic human consumption.

#### § 983.46 Modification or suspension of regulations.

(a) In the event that the committee, at any time, finds that the order provisions contained in §§ 983.38 through 983.45 should be modified or suspended,

it shall by vote of at least seven concurring members, so recommend to the Secretary.

(b) Whenever the Secretary finds from the recommendations and information submitted by the committee or from other available information, that the aflatoxin or minimum quality provisions in §§ 983.38 and 983.39 should be modified, suspended, or terminated with respect to any or all shipments of pistachios in order to effectuate the declared policy of the Act, the Secretary shall modify or suspend such provisions. If the Secretary finds that a regulation obstructs or does not tend to effectuate the declared policy of the Act, the Secretary shall suspend or terminate such regulation.

(c) The committee, with the approval of the Secretary, may issue rules and regulations implementing §§ 983.38 through 983.45.

### **REPORTS, BOOKS AND RECORDS**

#### **§ 983.47 Reports.**

Upon the request of the committee, with the approval of the Secretary, each handler shall furnish such reports and information on such forms as are needed to enable the Secretary and the committee to perform their functions and enforce the regulations under this part. The committee shall provide a uniform report format for the handlers.

#### **§ 983.48 Confidential information.**

All reports and records furnished or submitted by handlers to the committee which include confidential data or information constituting a trade secret or disclosing the trade position, financial condition, or business operations of the particular handler or their customers shall be received by, and at all times kept in the custody and under the control of, one or more employees of the committee, who shall disclose such data and information to

no person except the Secretary. However, such data or information may be disclosed only with the approval of the Secretary, to the committee when reasonably necessary to enable the committee to carry out its functions under this part.

#### **§ 983.49 Records.**

Records of pistachios received, held and shipped by him, as will substantiate any required reports and will show performance under this part will be maintained by each handler for at least three years beyond the crop year of their applicability.

#### **§ 983.50 Random verification audits.**

(a) All handlers' pistachio inventory shall be subject to random verification audits by the committee to ensure compliance with the terms of the order, and regulations adopted pursuant thereto.

(b) Committee staff or agents of the committee, based on information from the industry or knowledge of possible violations, may make buys of handler product in retail locations. If it is determined that violations of the order have occurred as a result of the buys, the matter will be referred to the Secretary for appropriate action.

#### **§ 983.51 Verification of reports.**

For the purpose of checking and verifying reports filed by handlers or the operation of handlers under the provisions of this part, the Secretary and the committee, through their duly authorized agents, shall have access to any premises where pistachios and records relating thereto may be held by any handler and at any time during reasonable business hours, shall be permitted to inspect any pistachios so held by such handler and any and all records of such handler with respect to the acquisition, holding, or disposition of all pistachios which may be held or which may have been shipped by him/her.

### **EXPENSES AND ASSESSMENTS**

#### **§ 983.52 Expenses.**

The committee is authorized to incur such expenses as the Secretary finds
